RE: Time Warner Telecom of the Midsouth, LLC, T.C.A. §67-6-222 Compliance
Docket No.: 05-00235

Dear Chairman Jones:

By letter dated August 18, 2005, Darlene Stanley, Chief of the Utilities Division of the Tennessee Regulatory Authority, requested that Time Warner Telecom of the Midsouth, LLC ("TWTC") file appropriate tariffs in compliance with the referenced statutory authority. Primarily, TWTC provides services to its customers pursuant to the terms of contracts. By way of discounts to its regular tariffed rates or "special contracts" rates, TWTC has implemented its plan to return the benefit of the tax equity payment to its business customers.

Accompanying this letter, please find Attachment A, which describes in detail the product or service and the price adjusted rate for monthly recurring charges and nonrecurring charges that are being offered to TWTC business customers during the period October 1, 2005 through September 30, 2006. The total of all price adjustments for this period exceeds the total equity payment received earlier this year of \$75,567.00. The attachment contains commercially sensitive and proprietary information, and, therefore, is being filed herewith under seal as "Confidential and Proprietary."

We anticipate that this material will be deemed responsive to Ms. Stanley's inquiry and will

demonstrate TWTC's compliance with T.C.A. § 67-6-222. If the Authority needs additional information or further explanation, please do not hesitate to contact the undersigned.

Very truly yours,
